Please give/show this form to Sales Person(s) at all "open houses" in lieu of filling out any "open house"  
registration forms at the site. This form shall serve as the registration to ensure your "BUYER REWARD" with  
Real Estate America. The "Buyer Reward" is a Real Estate America "House Warming Gift" that is Over and Above  
any Builder / Owner sales promotion; it is not an offering of the Builder / owner.

We understand that sometimes you may not have time to make an appointment.

(This will save you time when visiting "open houses" if you go without a Real Estate America sales person)
